ABOUT ME

Welcome!

My name is Younes Johar, also known as Migoos. I am a professional dancer from Morocco, and I'm excited to share my dance journey with you on this platform. My passion for dance drives me to keep advancing my career, continuously refining my craft, and sharing the artistry of movement with audiences worldwide through my dedication and talent.

As a dancer trained in various styles—urban hip-hop, street dance, contemporary, commercial, and jazz—my versatility is one of my greatest strengths. Having performed across diverse countries and stages, my global experience has enriched my artistry. I've had the privilege of embodying many characters and exploring a wide range of dance forms on stages around the world. My unwavering passion for dance fuels my desire to keep evolving in this industry. With dedication and hard work, I aim to reach even greater heights in my career. Dance, for me, is a way to tell stories and express emotions, with or without music.

I look forward to connecting with you and sharing my journey!
